PROGRAM DETAILS & DISCLOSURES

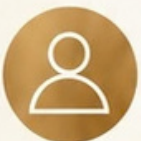

PLEASE REVIEW THESE PROGRAM RULES BEFORE EARNING OR REDEEMING REWARDS.

EARNING QUALIFYING VISITS

- A qualifying visit requires a minimum \$20 purchase before tax.
- The member must present the original physical VIP card and have it assigned to the check or table. Photos and digital copies of the card are not accepted.
- Only one physical VIP card may be assigned to a check or table.
- A maximum of one qualifying visit may be earned per member per day. Multiple checks or visits on the same day do not earn additional qualifying visits.
- Qualifying visits earned toward the next reward do not expire.

MEMBERSHIP AND ACCOUNT HELP

- Membership enrollment is \$20. Sign up in-house to receive a physical VIP card.
- Check your qualifying visits on our website.
- For a missing visit, email our VIP Loyalty Team and request a review. Only the Loyalty Team can adjust visits; restaurant employees and managers cannot edit a visit balance.
- Your Free Birthday Entrée and VIP-only specials and promotions will continue.
- With any specific questions, please email VIP@suleimanrestaurants.com.

EXISTING POINTS AND REWARDS

- Every 200 existing points automatically converts into one \$20 Free Entrée Reward. No action is required.
- Any existing reward dollars will automatically convert to Free Entrée Rewards. All Free Entrée Rewards are subject to a 90-day expiration period; the applicable expiration date appears in your account.

USING FREE ENTRÉE REWARDS

- After your 10th qualifying visit, one Free Entrée Reward for one entrée up to \$20 is added to your account.
- Only one Free Entrée Reward may be redeemed per visit and per check.
- The reward is not an automatic \$20 discount. If an entrée costs less than \$20, unused value does not transfer to another item. If it costs more than \$20, the member pays the difference.
- Each Free Entrée Reward expires 90 days after it is issued.
- Rewards cannot be combined with coupons, discounts, or other promotional offers. Only one promotion or discount may be used per check.
- A reward may be used on Lobster Night only when no coupon, discount, or other promotional offer is used on the same check.
